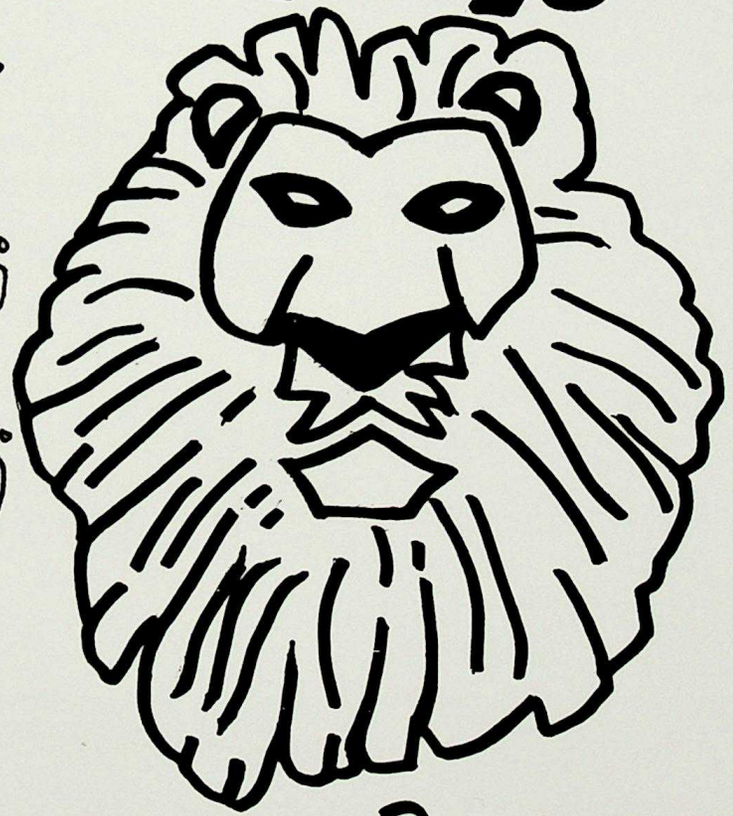
Edith Rogers Royals

EDITH ROGERS YEARBOOK '97-'98



Looking Back...

Good-bye

The days of laughter
when you and I
we thought this day
would never come.

Goodbye, Goodbye,
Good luck to you all.
Remember to call,
and do not stall.

The memories of us,
our friends
together
parties and having fun.

Your names will never be forgotten,
you've all engraved
a part of you into me.

I say this with all my heart,
but it's time to part.

A new stage of life,
the sad end to our careless world.
Now it's time to think
not of everyone,
but of yourself.
To think of your future success.

You've all made my Junior High Years
worthwhile.
You've all made me who I am now,
whether it's good or bad.

Words cannot be used enough times
to say Thank You
and time cannot go on forever.

We've been together
through tears of sadness,
and we've all turned to each other
for help.

This poem
is like a story
of a family
with lots of people
who care for each other.
Ciao.

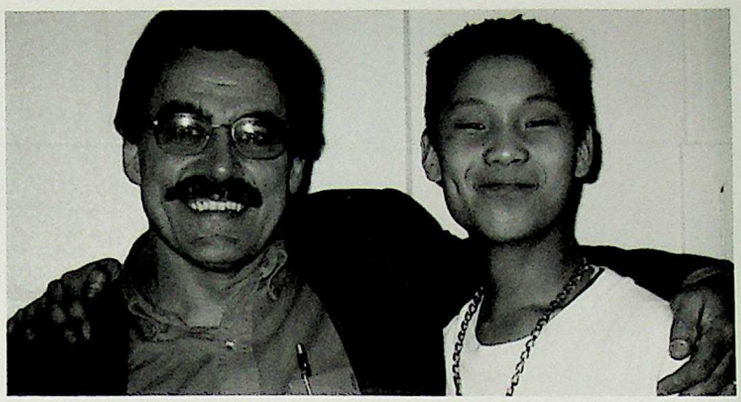
Grade Nine 1997-1998

Principal's Message



Once again we say farewell to yet another group of Edith Rogers students as they continue their journey into the exciting world ahead. The images preserved between the covers of this yearbook have captured memories of their experiences which will last a lifetime and will serve as a priceless record of their growth, enjoyment and achievements.

When paging through the Edith Rogers Royals yearbook, I am always struck by the tremendous physical and personal growth of our students. They have matured, experienced new challenges and, most importantly, made appropriate choices and learned from those choices. Our grade nines move on to high school, our eights move on from being "in the middle" and our grade sevens are no longer "new".

Your yearbook committee is to again be complimented for capturing the "spirit" of the 1997-98 school year. I also wish to thank all students, staff and parents for making my second year as the principal of their Edith Rogers family most enjoyable and rewarding. I hope I continue to measure up to the high expectations everyone has for me as I continue in this challenging position.

May I take this opportunity to wish everyone the very best in the years to come.

Sincerely,

Mr. Linton Delainey

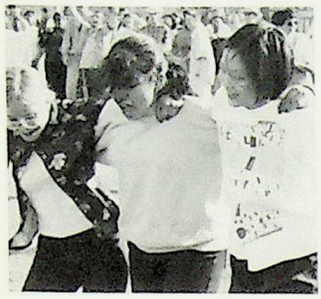
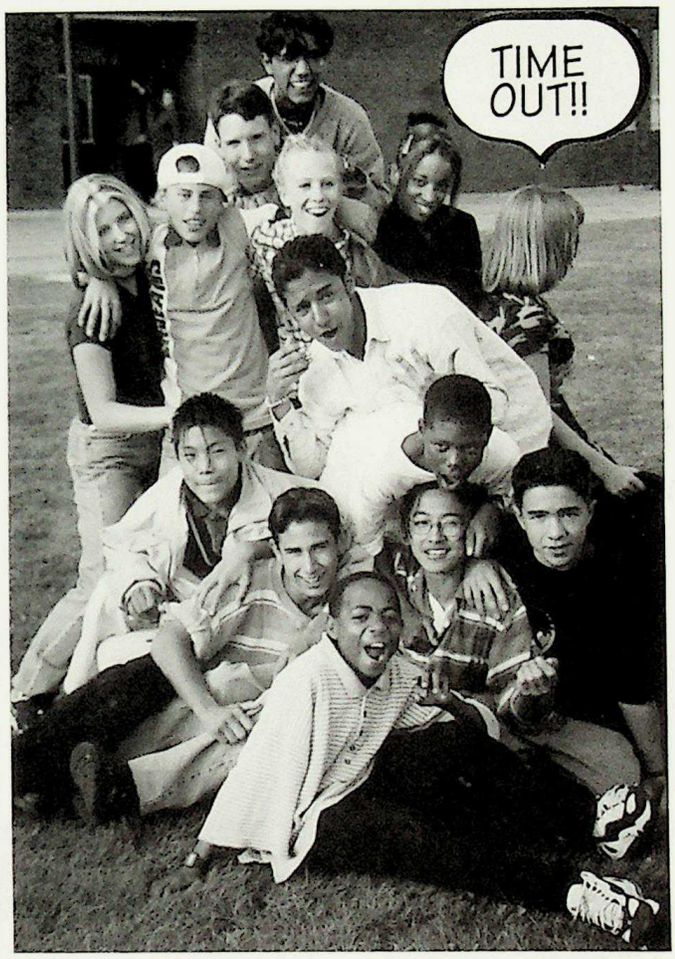
Western Days

Western Days were held on September 26. This was our Welcome Week activity for the new grade 7's. It was a great success. Students were given the option of dressing Western. There were many activities held in the morning such as, the Tug-O-War, the Three Legged Race, the Hammer and Nail Event, the Sponge and Bucket, the Egg and Spoon, Horseshoes and a Potato Sack Race. Homeroom classes participated in the events and were awarded spirit points. A barbecue was provided for the students for lunch, and there was a dance in the afternoon.





Remembrance Day

Chocolate Bar Sales

All Edith Rogers Students participated in the chocolate bar sales campaign.
Over $8000.00 was raised to be used for various school activities. The top sellers received prizes.

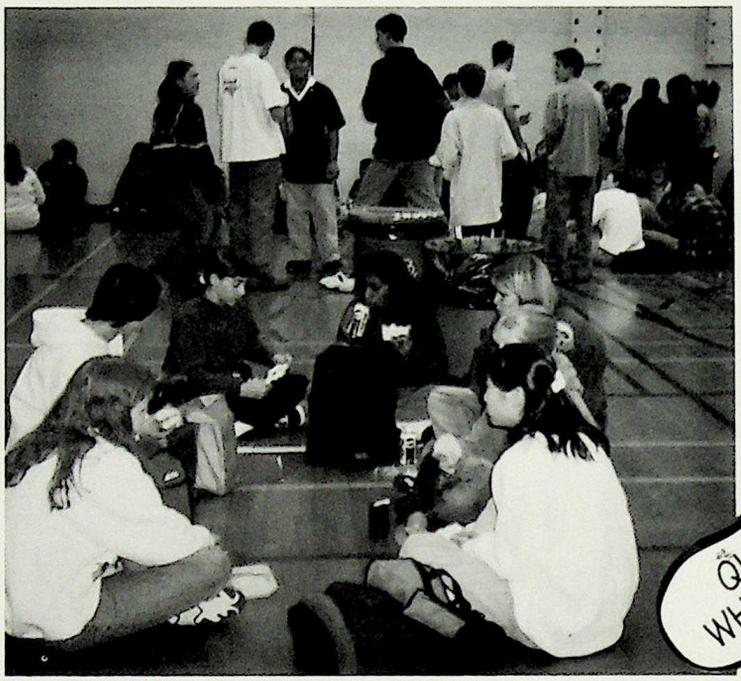
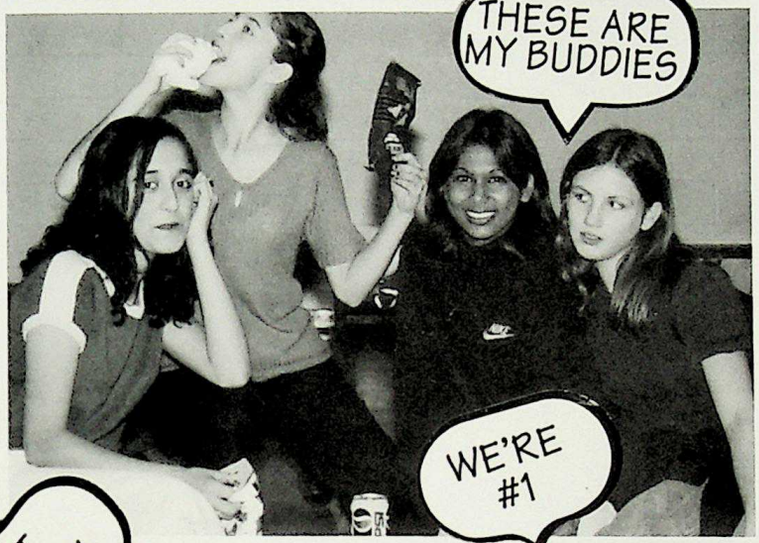
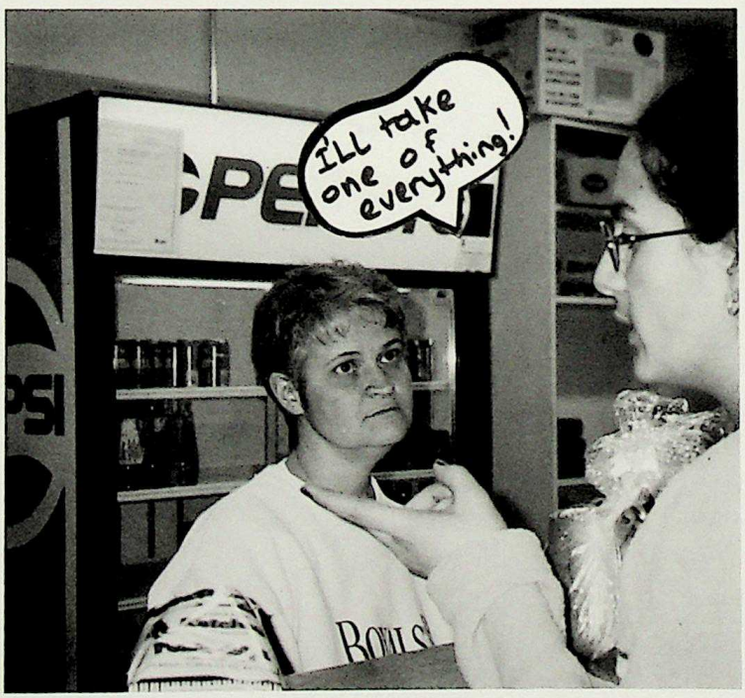
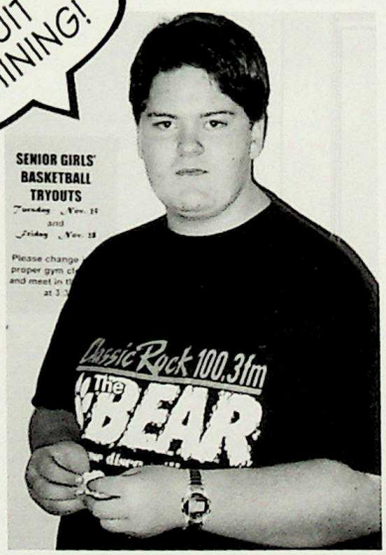
Lunch Hour Activities

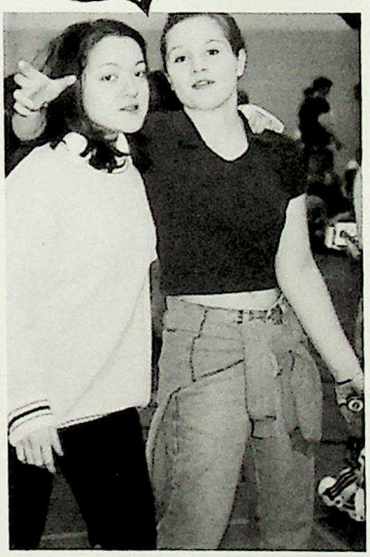
During the Lunch Hour Edith Rogers Staff offered many activities. First the students ate their lunches in the gym, then at 12:25 students went to many clubs or other activities. Choices were Art, I.A., Music, Home Ec., Crafts, Computers, French, Speech and Debate, Power Walking or Running, Intramurals, Video, Quiet Study, Library, TLE help, or Outside.











The School Store

At lunch for one half hour school store is open. Students line up and can purchase good wholesome food for reasonable prices. The money from the store goes to paying for Mrs. Jorgensen's wages and provides the school with money for extracurricular activities.

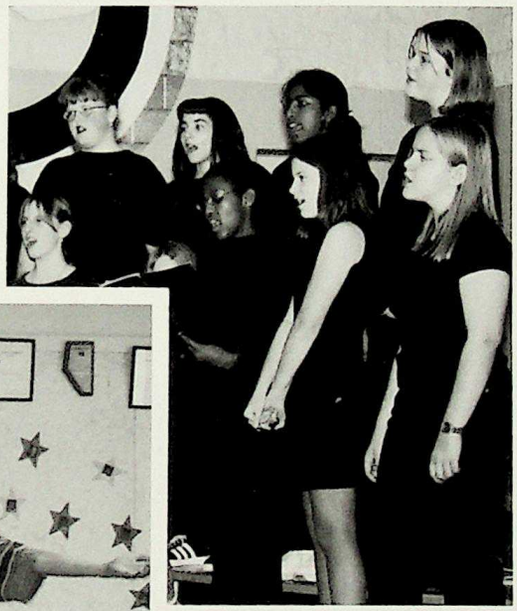
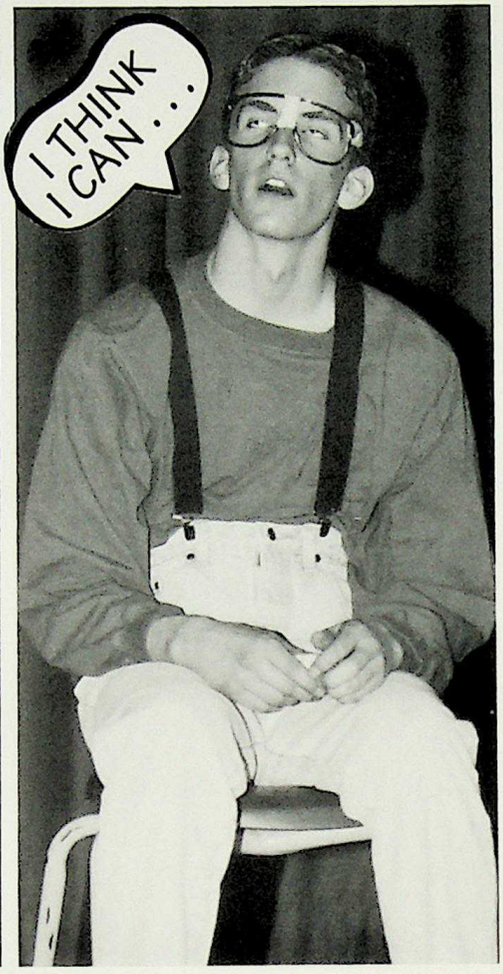
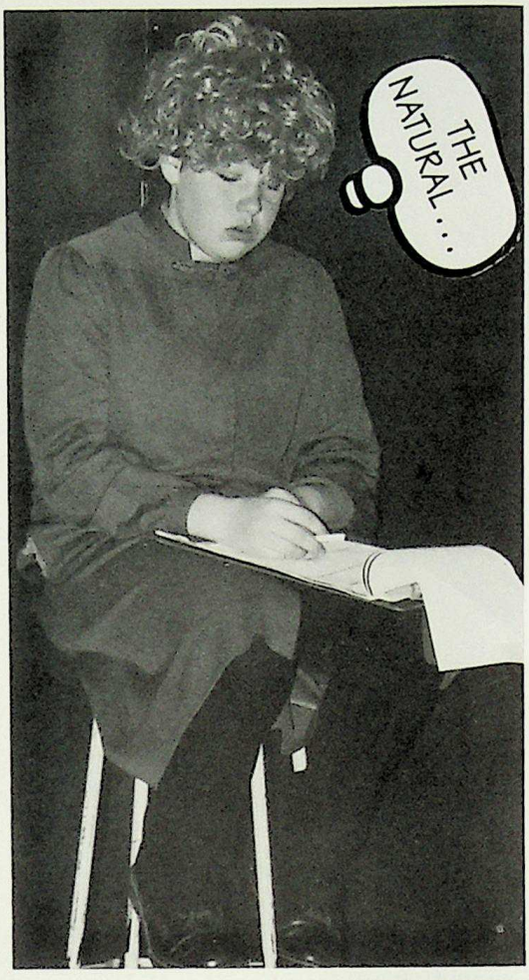
Every Lunch hour these girls provide a most important service to the school. They relieve the school secretaries, so they can join the other staff for lunch. Their duties include answering phones, taking messages, and paging staff. Good work girls!!

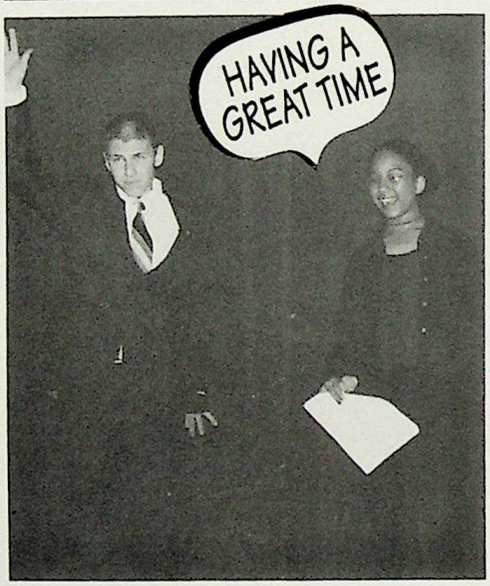


The Choir

The Choir practices regularly on Fridays at lunch. They perform for all sorts of events at our school. The music supervisors are Mrs. Baril, Ms. Willette and Ms. Smyth.







Drama

Two first-rate productions crowned the achievements of the Drama Club this year. In February the cast and crew of "This is a Test" received rave reviews as they toured our neighbouring elementary schools. This hilarious comedy explored teenage angst as it followed Alan Lefenfeld through a torturous exam straight out of his worst nightmare. On April 17th, dozens of students participated in our annual Lit, a polished and professional variety show that featured an exciting preview of Shaw Cable's latest channel package!

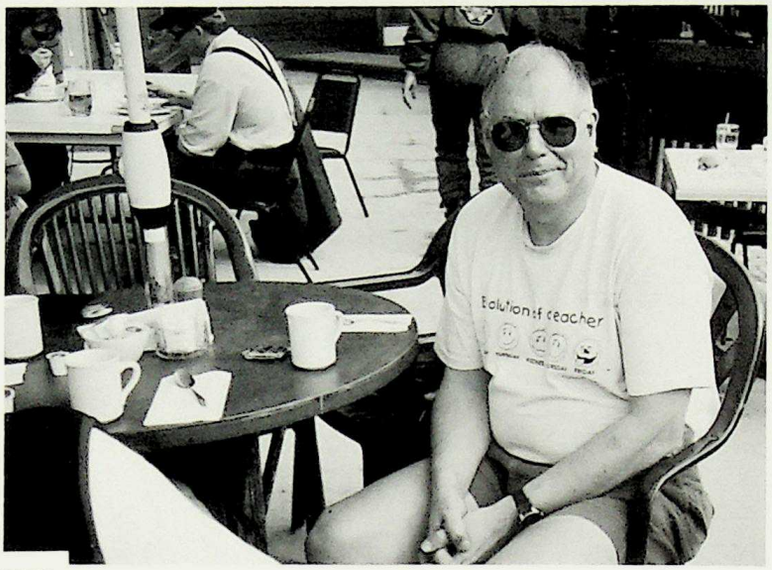
The Ski Team

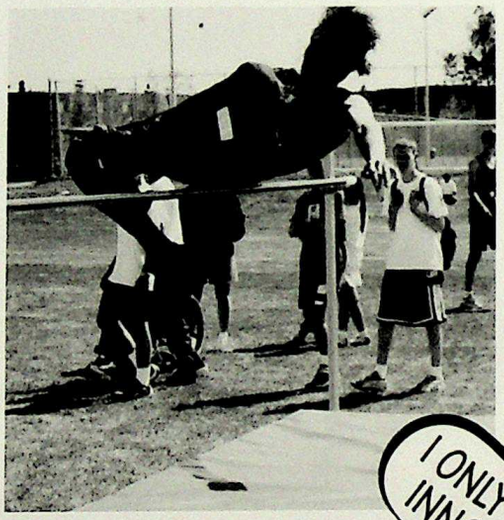


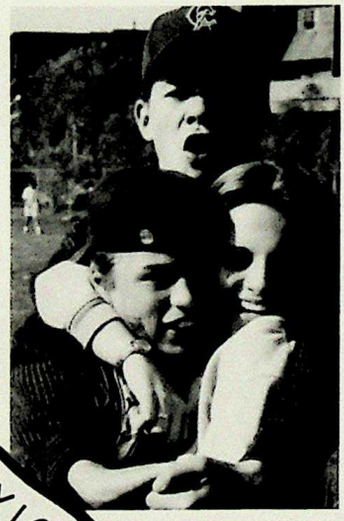
Fernie Trip

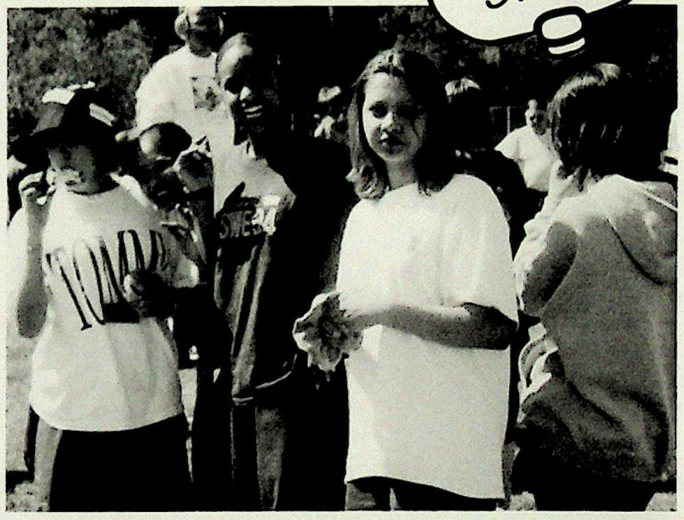
The Ski team travelled to Fernie B.C. by bus in March of 1998 to learn to ski the "Big One" !! They stayed at the Griz Inn and enjoyed all the modern conveniences of home. The weather was great and the trip was a success all round. Supervising staff were, Mr. Buchanan, Mr. Jonkman and Ms. Smyth.

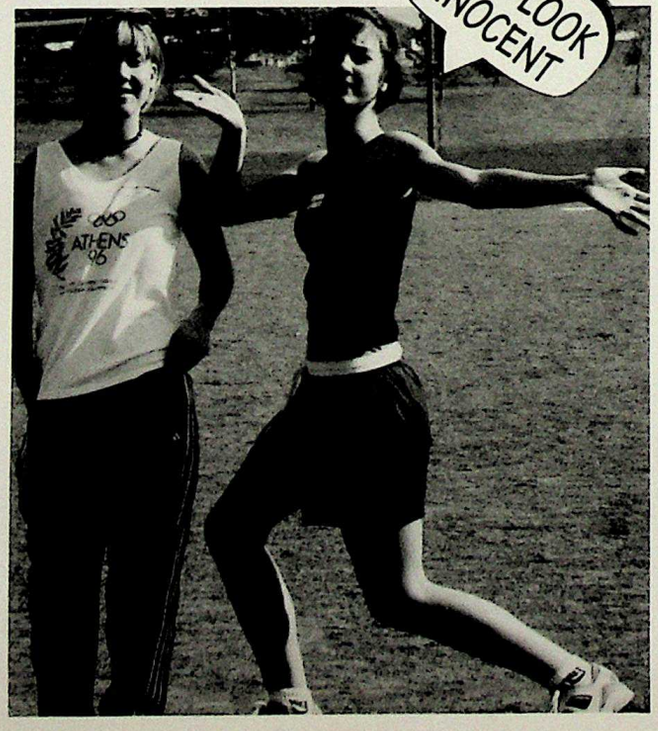
Track and Field

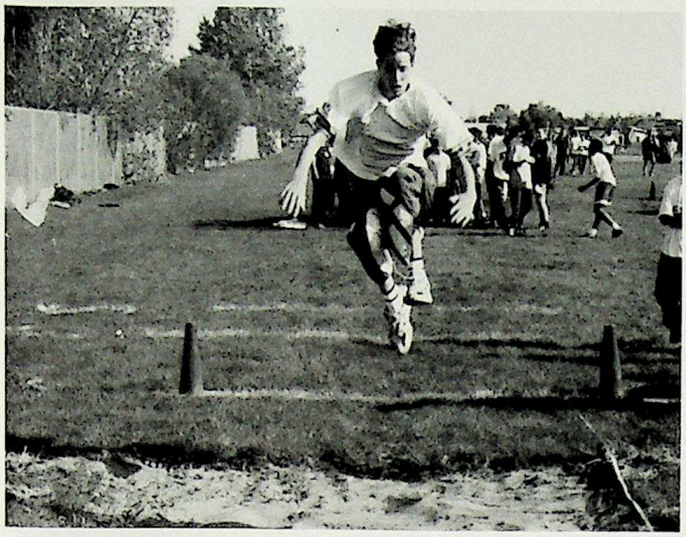
Track and Field day was held on Tuesday, May 12th. There were track events going on throughout the day along with field events such as, Long Jump, Triple Jump, High Jump and Shot Putt. In the morning popsicles were given out to each student, and there was an extra long lunch hour. Also in the afternoon, many students participated in a water fight that took place all over the field.

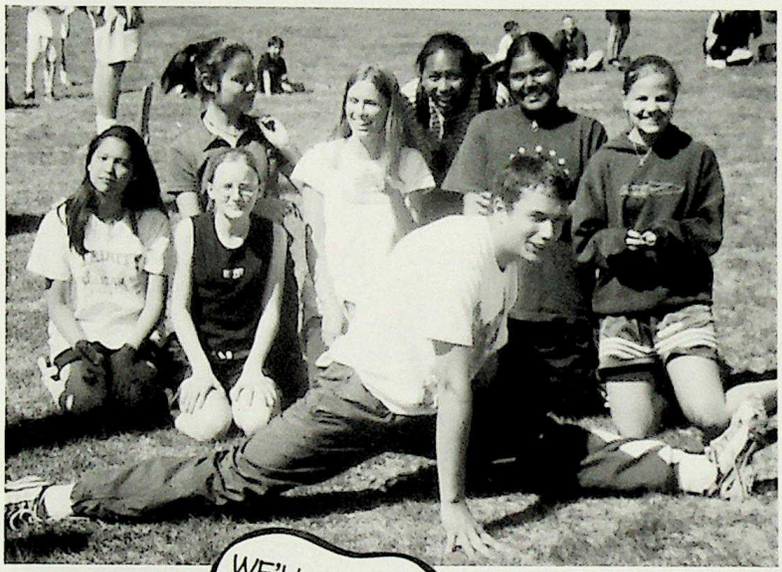












City Track and Field Meet

The City Track and Field Meet was held this year on June 2nd. Five athletes from Edith Rogers competed in this meet. Each participant had to finish in the top two in the Track events or top three in Field events in their zone track meets to make it to the city finals. Here is a list of the finalists as well as their final standings at the city track meet.

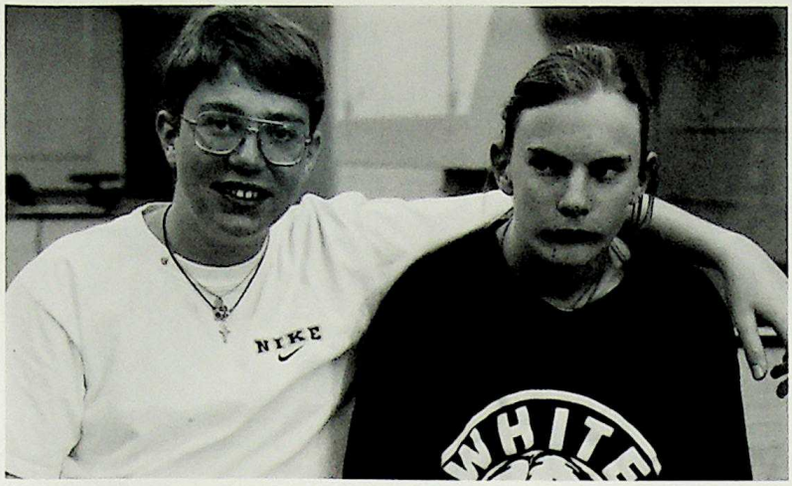
Farewell Mr. Phare

This year Mr. Phare Science teacher and Science Department Head has retired from teaching. His career has been 34 years long and 14 of those years were spent teaching at Edith Rogers School.



Memories

On the University of Alberta's 90th Anniversary fifteen Drama students performed as "Newsies" on the street for the public.

ER students and staff, with the help of Mrs. Kessel, have been saving aluminium can tabs for the Spinal Cord Injury Treatment Center for the last three years. This will be exchanged for cash and will purchase a wheelchair for a little boy named Peter.

A new student tracking systemwas started by Edith Rogers Staff called the Royal Register. Every class and teacher used it for attendance, behaviour, homework checks, and work habits.

Edith Rogers School got two new IBM Computer Labs. The labs were used to teach students math in a new way. The program was called TLE or The Learning Equation. Mr. Mah and Mrs. Schwartz taught the grade Nine classes math using this program.

The Edith Rogers Silent Auction raised over $4000.00 for the Band Program.

The Alberta Band Association held a Festival of Bands Competition in May and both Edith Rogers Junior and Concert Bands won Silver Medals.

Open House was held at the end of March. Over 300 parents and future students attended the affair.

The Study Travel Club, supervised by Mrs. Webber, went to London and Paris at Spring Break.

Read In Week was held from Oct. 6-10. A variety of authors were invited to the school as guest readers and speakers.

Mark Anderson, a motivational speaker, visited our school to motivate students and staff to believe in themselves as winners.

Mrs. Kessel and Mrs. Ashton entered a Christmas tree into the Festival of Trees, an annual Edmonton event. The ornaments for the tree were made by the Crafts Club using a Fairy Tale theme.

Edith Rogers staff and students raised over 225 KG. of food which was then donated to the Edmonton Food Bank.

Once again grade Nine Art students painted ceiling tiles, to be put on display on the ceiling in the school and in many classrooms. Several new wall murals were also painted.

Honours Trips took place once again this year. The grade Seven students went to Drumheller and Calgary. The grade Eight students went to Jasper and the Grade Nine students went to Banff. Supervising Staff for grade Seven were - Mrs. Schwartz, Mr. Purschke and Ms. Smyth. Supervising staff for grade Eight were - Mrs. Lieir, Mrs. Van Dine and Mrs. Burgess. Supervising staff for grade nine were - Mr. Buchanan, Mrs. Bell, Mrs. Oswin and Mrs. Ashton. The students were well behaved and the trips were enjoyed by all.

Farewell 1998

Valedictorian Speech 1998

Mr. Delainey, Teachers, Parents, Guests and Fellow Students. It is an honor for me to speak on behalf of the graduating class of 1998. Today we have reached a milestone, completion of Junior High.

During our three years at Edith Rogers I'm sure you will agree, parents and teachers alike, that we all have matured and are well on our way to becoming responsible young adults. For some of us the journey has been more difficult than others, but being here tonight has proved we were capable of achieving that goal.

Firstly, that goal would not have been possible without the help and support of the dedicated team of teachers here at Edith Rogers. For example, without Mr. Mah's sayings that kept us going on the TLE, Mr. Douglas's ongoing puns, Mrs. Oswin' s lasting discussions, and Mrs. Baril's pursuit of excellence, we might not have made it as far as we did. The teachers have worked above and beyond their capabilities to help students achieve to the best of their abilities. We all know how difficult it was for the teachers this year during their contract negotiations, but in spite of this they continued to put us first so they wouldn't hurt our chances of being successful and to help us strive to do our best. Having a good team of teachers has contributed greatly to our success. We will always remember the things that they put so much time and effort into just to make school a little more fun. Their leadership and influence have helped to make us who we are today.

Secondly, we should thank our parents for the love and encouragement through the good and bad times. If it was academics or sports, they were always the ones who were supporting our efforts completely. These are the people who will be with us those days down the road when we need help with a math question or when we have to be at school for a six am volleyball practice, and for that we should thank them immensely.

We must also show our appreciation to our friends. Whether we need help with our homework, someone to share a good laugh with, or a shoulder to cry on, they were the ones that would always be there for us. As we move on to High School, some of these friendships may fade, but the memories we shared of school trips, activity days, drama performances and band concerts will always be with us.

We must all have a vision for our future. In elementary school we dream of what's to come in Junior High, but now we have to make new dreams for High School, and from there, dreams for our future. I say to my fellow students, the most important thing, is to believe in yourself and work towards fulfilling those dreams. I would like to wish you all every success in the future.

Good-Bye and Good Luck
